

OFFSITE 'RETAKE' EXAM 2011

The Recertification Examination or the Written Examination can be retaken 6 months after the scheduled annual examination. NEBO will provide a "retake" test administration date in order to accommodate candidates who did not pass the BCO examination at the scheduled annual examination. NEBO must receive notification of the need for retake administration dates and site no later than ninety (90) days prior to the desired retake date. **This exam application can be filed with NEBO three (3) months after the scheduled exam. CASTLE considers this examination a totally separate administration of the examination and therefore is more costly to the examinee.**

APPLICATION FOR RETAKE EXAMINATION

The NEBO Certification Examination for Ocularists will be administered and processed by CASTLE Worldwide, Inc. of Raleigh, NC. The location and proctor for the examination will be arranged by CASTLE at a location and date to be determined by CASTLE and the examinee.
